

SELO-Bestätigung für Zimmerlin Verschlüsse

(für den Einsatz in Behältern nach der "Manufacturing License of AQSIQ of the People's Republic of China")

SELO-Confirmation for Zimmerlin Covers

(for the use in Vessels produced acc. "Manufacturing License of AQSIQ of the People's Republic of China")

Einsatz von Zimmerlin-Verschlüssen in Behältern gem. der Manufacturing License of AQSIQ

Zimmerlin-Verschlüsse fallen **nicht** in den Geltungsbereich der Manufacturing License of AQSIQ of the People's Republic of China, dürfen jedoch in solche Behälter eingesetzt werden.

Der Behälterhersteller ist verantwortlich dafür, dass das eingesetzte Produkt hinsichtlich Qualität und Sicherheit den Anforderungen der Manufacturing License of AQSIQ of the People's Republic of China entspricht.

Statement for the use of Zimmerlin Covers in Vessels built in accordance with the Manufacturing License of AQSIQ

Zimmerlin Covers **are not** in the scope of the Manufacturing License of AQSIQ of the People's Republic of China, but can be used in such vessels.

The Vessel manufacturer has to take care, that quality and safety of the used Equipment is acceptable for the use in a Vessel, produced in accordance to the Manufacturing License of AQSIQ of the People's Republic of China.

Official Statement from Special Equipment Licensing Office (SELO) of AQSIQ

"According our superior department's comments, your company does not need to apply for the Manufacture License of AQSIQ. Pressure Vessel Parts (Except A3< Head > referring to Order No.22 of AQSIQ)* do not need have Manufacture License."

Email from SELO from May, 07 2013

*means: Fabricators of various kinds of heads with diameter larger or equal to 1800mm have to have Manufacturing license.

**Mit freundlichen Grüßen
best regards**
